

EXPLORING™

DISCOVER YOUR FUTURE

Exploring Programs for Students Ages 14-20

Exploring provides exciting activities and one-on-one mentorship for youth looking to discover their future. Whether you're a local organization looking to strengthen the community or a young person wanting to uncover the possibilities of your future, Exploring is a great place to start.

Check Out Upcoming Fall Programs

UNO Aviation Program

Interested in becoming an airline pilot? What about conducting small unmanned aircraft operations in the field? If these sound interesting to you then join the University of Nebraska at Omaha Aviation Institute's Exploring Post. You will be given the best information available on careers in aviation and aerospace through tours, flight simulation, guest speakers, and interactive learning.

WHEN

August 21st, 2019
6:30 pm - 7:30 pm

Trauma Thursday, CHI Health Immanuel & Lakeside Program

The program will showcase the area of expertise at our Immanuel Hospital and continuing on with sessions at Lakeside Hospital and Bergan Mercy. These programs are an excellent way to learn more about the intricacies of several health care career fields and will provide the student with a better understanding of each specialty. The purpose of this program is to give students the best information about careers in health care through tours, guest speakers, discussions, and various hands-on learning experiences.

WHEN
September 5th, 2019
6:00 pm - 9:00 pm
